Applications for access to data can be submitted at any time. The SCHoming Data Access Committee will consider straightforward applications and aim to provide a decision in a timely manner.

Application for Access to Data from

the Stuttgart cohort (BCGS-G)

Name of applicant and co-applicant(s), including affiliations and contact details.
Please ensure that a full postal and **email address** is included for **each applicant.**
PhD student applicants **must** include their supervisors as a co-applicant and provide their full contact details.

Title of Project
In less than 30 words.

Data Requested

Please indicate which (epi-)genetic/transcriptomic data you require.

Research Question

Please provide a **clear** description of the project and its specific aims in no more than 750 words. This should include specific details of **what you plan to do with the data** and include key references.

Feasibility

Please describe fully your experience and expertise, and that of your collaborators, and how this will be applied to the proposed study. A publication list **MUST** be provided for the applicant, co-applicants and PhD supervisors where PhD students have applied. The committee needs assurance of competence in handling datasets of this size and nature.

BCGS-G Access to Data form, version 1.0, August 2020

I have read and agree to abide by the terms and conditions outlined in the Data Access Agreement and the Publication Policy
